Notes pertaining to academic activities for Academic year 2018-2019

1	Attendance in classes is mandatory from the very beginning of the semester. Students who miss even a single lecture from among the first three lectures of a course are liable to have themselves de-registered from the corresponding course.
2	Many academic units organize an orientation programme for teaching assistants and an R&D orientation for new Postgraduate/ Undergraduate entrants. An Institute level orientation is also often organized for these purposes. Attendance and participation in the orientation programme is mandatory for teaching assistants. Absence from it will make the teaching assistant liable for a financial penalty in the scholarship/ financial support. All academic units/ Instructors of Institute core courses are expected to organize the orientation in a format which they find appropriate, to enable the best use of the services of teaching assistants.
3	Saturdays/Sundays may be used to conduct mid-semester and end-semester examinations. An effort is normally made to exclude Sundays and public holidays for mandated academic activities, including examinations.
4	Registration for half-semester courses should also be completed at the beginning of the semester.
5	While adjusting the courses (including dropping of courses), students should ensure that the prescribed load, as approved for each programme, is maintained.
6	Re-examinations shall be conducted by the academic office for students in courses, where they are awarded II/FF Grades.
7	Dates for payment of fees by new entrants will be informed to the candidates while offering admission and will also be put up on the IIT Goa website. These dates could be different for various programmes offered by the Institute.
8	Students other than the new entrants can deposit their semester fees as per schedule displayed by the academic office before the end of examination for the earlier semester.
9	The dates for spring semester 2019 -20 may be re-adjusted after holidays are known.
10	A schedule of adjustments in the institute time table will be announced, if needed, to provide 38-41 instruction hours in each 6-credit course and to approximately balance the number of instruction hours in the two halves of a semester.

Notes pertaining to Dissertation / PhD Annual Progress Seminar

1	PhD students with CSIR / UGC fellowships and supported by other similar agencies can schedule their Annual Progress Seminar by considering requirements of funding agency. The schedule must be maintained in a consistent manner.
2	For evaluations of Degree Dissertations, the evaluation schedule in a given academic unit may be spread over a large enough segment with the permissible time-window to allow possibilities of adjustment of evaluation date(s) and prevent overloading the faculty members with too many evaluations on a single day.
3	For project/ dissertation / credit seminar related presentations, report / dissertation should be submitted to at least seven days prior to the date of presentation/ assessment
