Eligibility criteria, and additional terms and conditions for participation in the bid

1. The bidder should be an Original Equipment Manufacturer (OEM) or its Authorized Dealer/Channel Partner having a Direct Purchase and Support agreement with the OEM. In case the bidder is a Dealer, a valid Letter of Authorization from the OEM should be produced along with technical bid.
2. A Certificate/Undertaking on the letter head of the Company to the effect that the OEM/bidder had not been blacklisted anywhere in India by any organization must be enclosed with technical bid.
3. The bidder must be a legal entity in India registered under appropriate laws. Registration certificate to this effect must be produced along with technical bid.
4. The bidder/OEM must have registered/support office either in Goa, Karnataka, Maharashtra, with well-established Service Centre. Documentary evidence to this effect must be produced along with technical bid.
5. The bidder must be in existence in the HPC (High Performance Computing) business in India at least for the last five years. Documentary evidence to this effect must be produced along with technical bid.
6. The bidder must clearly mention the complete details of the model (e.g., name, number, brand, etc.), if applicable, in the quotation, without which the quotation will not be considered.
7. The bidder is required to furnish clause by clause compliance of technical specifications bringing out clearly the deviations from the specification, if any. The compliance certificate should be produced in the following format.

Sr. No. of the component given in the technical specifications	Specification of the component as per tender enquiry	Specification of the component offered	Compliance (YES/NO)	In case of non-compliance, deviation to be specified in unambiguous terms

Non-compliance with above shall be treated as incomplete/ambiguous and the bid may be ignored without giving an opportunity to the bidder for further clarification/negotiation etc. Mere copying of our specifications in the quotation shall not make the technical bid eligible for consideration. A bid should be supported with a catalogue, duly signed and stamped, of the quoted model, and the same must be sent along with the technical bid.

8. Bidder must submit an Authorization certificate from OEM for service & support. One OEM can authorize one bidder only and one bidder can represent only one OEM.

9. Bidder should be an ISO certified Company.

10. Bidder should be registered under GST Act with concerned State Sales Tax Authorities. The bidder should furnish, along with the bid document, the relevant GST Registration Document and PAN / TAN copies. Documentary evidence to this effect must be produced along with technical bid.

11. The bidder should have average annual sales turnover of Rs. 3 Crores or more during the last three financial years ending 31st March 2020. Attach firm's last 3 years' audited profit and loss account balance sheet duly audited by a Chartered Accountant (C.A.). Documentary evidence to this effect must be produced along with technical bid.

12. Bidder should provide complete documentation about rack layout, and power, cooling and electrical infrastructure required at IIT Goa along with the technical bid.

13. List of minimum three present clientele (Central Government academic/research institutions, IITs, IISERs, NITs, etc.) to whom identical/similar equipment has been supplied in the preceding three years must be produced with contact addresses and telephone numbers.

14. If any of the equipment supplied by the bidder is found to be substandard, refurbished, unmerchantable or not in accordance with the description/specification or otherwise faulty, the committee will have the right to reject the equipment or its part. The prices of such equipment shall be refunded by the bidder with 18% interest if the payment for such equipment has already been made. All damaged or unapproved goods shall be returned at suppliers' cost and risk and the incidental expenses incurred thereon shall be recovered from the supplier. Defective part in equipment, if found before installation and/or during warranty period, shall be replaced within 45 days on receipt of the intimation from this office at the cost and risk of supplier including all other charges. In case supplier fails to replace above item as per above terms and conditions, IIT Goa, may consider "Banning/Blacklisting" the supplier.

15. Non-compliance of tender terms, non-submission of required documents, lack of clarity of the specifications, contradiction between bidder specification and supporting documents etc. may lead to rejection of the bid.

16. IIT Goa has the right to accept the whole or any part of the tender or portion of the quantity offered or reject it in full without assigning any reason in public interest.

17. **Validity of bids:** Bids shall be valid for minimum 90 days from the date of submission. A bid valid for a shorter period shall stand rejected.
