INVITATION OF BIDS FOR ENGINE TEST SETUP (OPTICAL ACCESS) ENQUIRY NO: IITGOA/2019-20/030 DTD 29/10/2019

- 1. Quotations are invited in two bid system for the procurement of Engine Test Setup (Optical Access) in separate envelopes. Please mention the above-mentioned title, enquiry number and due date for submission of bids on the sealed cover to avoid the bid being declared invalid.
- The address and contact numbers for sending bids or seeking clarifications regarding this RFP are given below –

Assistant Registrar (Stores & Purchase) IIT GOA, At GEC Campus, Farmagudi, Ponda – Goa. 403401 ar sp@iitgoa.ac.in

- 240 30
- 3. This bid enquiry is divided into three parts as follows:
 - a. Part I Contains General Information such as the time, place of submission and opening of tenders, Validity period of tenders, etc.
 - b. Part II Contains Instructions for the Bidders and essential details of the items/services required, such as the Schedule of Requirements (SOR), Technical Specifications, Delivery Period, Place of Delivery and Consignee details.
 - c. Part III Contains Price Bid format, other details etc.
 - 4. This bid enquiry is being issued with no financial commitment and the Institute reserves the right to change or vary any part thereof at any stage and to withdraw it at any stage.

Form of Contract	t	Supply			
EMD Fee Details	EMD Fee Details (in the form of Bank Guarantee/Demand Draft)				
EMD Fee INR: Rs.70,000.00					

General Conditions of EMD:

- a) Bidders are required to submit Earnest Money Deposit (EMD) for an amount of Rs 70,000/- along with their bids. The EMD may be submitted in the form of an Account Payee Demand Draft/Bank Guarantee from any Public Sector Bank authorized to conduct government business favouring "Indian Institute of Technology Goa, payable at Goa". Bids not accompanied by EMD will be rejected.
- b) The EMD will be refunded to all the bidder other than the three lowest technically suitable bidder within one month from the date of opening of the Financial Bid (Cover – II). The EMD of the bidder other than the bidder whose offer is accepted will be refunded with in a period of one month after award of Contract.
- c) The EMD of the bidder who are not qualified under Cover I will be refunded within one month from the date of return of their unopened cover II.
- d) The EMD of the successful bidder will be refunded only after the remittance of security deposit.
- e) Where a person whose tender has been received intimates that they are withdrawing their tender before the validity period or makes any modification in the terms and conditions of the tender which are not acceptable to IIT Goa (or) fail to furnish the security deposit within the prescribed time, IIT Goa shall without prejudice to any other right or remedy, be at liberty to forfeit the Earnest Money deposited by such person absolutely. The Bid Security of the successful bidder would be returned, without any interest whatsoever, after the receipt of Performance Security from them as called for in the contract.
- f) Micro and Small Enterprises (MSEs) registered with National Small Industries Corporation are exempted from payment of Earnest Money Deposit. However, vendors covered under this category have to submit copy of registration certificate with present validity along with technical bid, failing which, the bid will be disgualified.

registration certificate with present va	ilidity along with technical bid, falling which, the bid will be disqualified.
Bid Validity (Days):	120 days
Period of Work/Delivery Period (Days):	60 days
Pre-Bid Meeting Date & Time:	Will be decided on request
Pre-Bid Meeting Place & Address:	NA
	A prospective bidder who requires clarification regarding the contents of the bidding documents shall notify to the Buyer in writing about the clarifications sought not later than 7 (Seven) days prior to the date of opening of the Bids. Copies of the query and clarification by the purchaser will be sent to all prospective bidders who have participated the bidding documents. A bidder may modify or withdraw his bid after submission provided that the written notice of modification or withdrawal is received by the Buyer prior to deadline prescribed for submission of bids. A withdrawal notice may be sent by email but it should be followed by a signed confirmation copy to be sent by post and such signed confirmation should reach the purchaser not later than the deadline for submission of bids. No bid shall be modified after the deadline for submission of bids. No bid may be withdrawn in the interval between the deadline for submission of bids and expiration of the period of bid validity specified. Withdrawal of a bid during this period will result in Bidder's forfeiture of bid security.
Rejection of bids:	Canvassing by the Bidder in any form, unsolicited letter and post-tender correction may invoke summary rejection with forfeiture of EMD. Conditional tenders will be rejected.
	Bidders unwilling to quote should ensure that intimation to this effect reaches before the due date and time of opening of the Bid, failing which the defaulting Bidder may be delisted for the given range of items as mentioned in this RFP.

Part II: Instructions to Bidders

- 1. Schedule of Requirements List of items are attached as Annexure 'A'
- 2. **Technical Details**: Technical details are attached in **Annexure 'B'**
- 3. **Two-Bid System:** In respect of Two-bid system, Bidders are required to furnish clause by clause compliance of specifications bringing out clearly the deviations from specification, if any.
- i) The Bidders are advised to submit the following documents along with Technical Bid
 - a) Compliance certificate in the following format;

Para of tender enquiry specification item-wise (As per annexure B)	Specification of Item offered	Compliance – whether YES/NO	In case of non- compliance, deviation to be specified in unambiguous terms

The offers must strictly be as per the specifications given in Annexure-A. At the same time, it must be kept in mind that mere copying of our specifications in the quotation shall not make the technical bid eligible for consideration. A bid has to be supported with original catalogue (not of photo copy) of the quoted model duly signed by the principals and the same must be sent along with the technical bid. The quoted model should not become obsolete for a minimum period of 5 years (This is for the availability of spares). Therefore, the model quoted should invariably be highlighted in the leaflet/literature enclosed with the quotation. Non-compliance with above shall be treated as incomplete/ambiguous and the bid may be ignored without giving an opportunity to the bidder for further clarification/negotiation etc.

- b) Bidders & Indian Agent's Information (Annexure C).
- c) A copy of Indian Agent Agreement / Authorization letter from OEM / OEMs along with tender be submitted by All Indian Agents, if the manufacturer/supplier is based in abroad.
- d) EMD
- e) GST and PAN details
- f) The Bidder should provide a list of customers of previous supply of a similar/ same range of equipment to IIT's/NIT's/Universities with contact details.
- ii) The following documents should be submitted along with Financial Bid
 - a)Price Bid. (Annexure D)
 - b)Previous order of supplies/Justification of quoted rates. (Annexure E)
- 4. **Delivery Period** supply to be made within <u>60 days</u> from the effective date of issuance of Purchase Order. Please note that P.O. can be cancelled unilaterally by the Institute in case items are not received within the delivery period. Extension of delivery period will be at the sole discretion of the Institute, with applicability of LD clause.
- 5. **Delivery and Transportation** Place for supply / installation is 'Indian Institute of Technology Goa, Ponda Goa'. The transportation cost & Insurance charges up to the destination is to be borne by the bidder.

to

Part III: Conditions of Contract

1. Award of Contract:

- i. IIT Goa shall award the contract to the technically qualified eligible BIDDER whose bid has been determined as the lowest evaluated financial bid.
- ii. If more than one BIDDER happens to quote the same lowest price, IIT Goa reserves the right to award the contract to more than one BIDDER or any BIDDER.

2. Prices:

i. For Import Supplies –

- a. It is mandatory to quote prices in FOB basis only.
- b. In case of Multiple options of the same product, bidders are requested to quote only one best option and not multiple options.
- c. All local taxes, customs duty and clearance charges will be borne by the Institute as applicable.
- d. The supplier shall pay and bear all other liabilities, taxes and duties not specifically agreed by the Purchaser in the contract

ii. For Indigenous Supplies -

- a) It is mandatory to quote prices in FOR basis only to be door delivered in IIT Goa.
- b) In case of Multiple options of the same product, bidders are requested to quote only one best option and not multiple options.
- The supplier shall pay and bear all other liabilities, taxes and duties not specifically agreed by the Purchaser in the contract.

Pre-installation:

i. Please also mention the pre-installation requirements for the equipment like ambient temperature, humidity, civil work, weather specifications, power specifications, etc. When items are provided full performance satisfaction should be demonstrated.

4. Installation:

- i. Supplier shall be responsible for installation / demonstration wherever applicable and for after sales service during the warranty period and thereafter as mentioned in the contract.
- ii. Installation / demonstration to be arranged by the supplier free of cost and the same is to be done within 15 days of the arrival of the equipment at site.

Training:

- i. The supplier shall submit training proposal for the operation and maintenance to the personnel of IIT Goa on the offered equipment/machinery.
- ii. Wherever needed, our technical persons should be trained by the supplier at the project site free of cost. In case the person is to be trained at supplier's site abroad or in India it should be mentioned in the quotation clearly. The supplier should bear all the expenses for such training including 'to & fro' fares and lodging & boarding charges.

6. Terms of Payment:

- i. For foreign currency payments: 90% of the payment will be made through irrevocable Letter of Credit (LC) and balance 10 % payment shall be released by wire transfer after successful delivery and installation of items at IIT Goa.
- ii. For payments in INR: 100% within 30 days after the successful delivery and installation of items at IIT Goa

7. Legal Matter:

i. All disputes are subject to Goa jurisdiction only.

8. Rights to Accept, Reject, Amend, Modify:

i. The basic eligibility conditions and conditions of contract are broad guidelines for pre-qualification and the Director, IIT Goa hereby reserves the right to relax / alter / modify / add/delete any or all the conditions without notice.

9. Rights to Accept, Reject Bids:

i. The Director, IIT Goa reserves the right to accept or reject any or all bids without assigning any reason in public interest.

10. Penalty/ Liquidated Damages:

- i. Timely delivery is essence of the contract and hence if any consignment be delayed, liquidated damages at the rate 0.5% of the price of the delayed consignment, for each week or part whereof shall be levied and recovered subject to maximum of 10% of total purchase order value.
- ii. IIT Goa reserves the right to cancel the order in case the delay is more than 6 weeks. Penalties if any will be recovered by forfeiting PBG at vendor's cost and risks.

11. Supervision of Erection and Commissioning:

i. Successful BIDDER shall depute concerned specialist, for supervision of erection & commissioning of the machine to be carried out. The successful BIDDER shall make necessary arrangement at their own expenses for stay, transport and other expenses of their Specialist during their stay in Goa which also includes imparting free of cost training to IIT Goa personnel.

12. Performance Guarantee (GFR 2017 Rule 171):

- i. Performance Guarantee Bond is mandatory.
- ii. Successful tenderer/ bidder should submit performance guarantee as prescribed above to be sent to The Assistant Registrar, Stores & Purchase Department, IIT Goa on or before 15 days from the due date of issue of order acknowledgement. The PBG to be furnished in the form of bank guarantee as per proforma or annexure of the tender documents, for an amount covering 5 % of the purchase order value.
- iii. The Performance Guarantee should be established in favour of "The Registrar, IIT Goa".
- iv. PBG to be established through any of the National Banks (whether situated at Goa or outstation) with a clause to enforced the same on their local branch of Goa or any scheduled bank (other than national bank) situated at Goa. Bonds issued by co-operative banks will not be accepted.
- v. Performance Guarantee Bond shall be for the due and faithfully performance of the contract and shall remain binding, notwithstanding such variations, alterations for extensions of time as may be made, given, conceded or agreed to between the successful tenderer and the purchaser under the terms & conditions of acceptance to the tender.
- vi. The successful tenderer is entirely responsible for due performance of the contract in letter and spirit and all other documents referred to in the acceptance of tenders.
- vii. The PBG shall be kept valid during the period of contract and shall continue to be enforceable for a period of one year/two years (as mentioned in the tender document) or upto warranty period whichever is later from the date of order acknowledge. In case PBG needs extensions upto warranty period then supplier shall initiate extensions to PBG one month prior to expiry of PBG.
- viii. For successful suppliers, if PBG is not submitted within 15 days from the date of Order Acknowledgement, then the Purchase Order will be cancelled with forfeiting of EMD.
- ix. No interest shall be payable by the buyer to the Bidder on PBG.

Annexure A

List of items required

SI. No.	Description of Items	Qty
1	Engine Test Setup (Optical Access)	01

Specifications for Computerized Engine Test Rig – II

Pre-Qualification Criteria:

The Vendor needs to meet all the following pre-qualification criteria and other requirements in order for their technical bids to be considered.

- 1. The vendor should represent a reputed international company with at least 5 supplies of similar equipment to CFTIs, IITs, IISERs and other Govt. of India organizations.
- 2. Vendor must attach a reference list of supplies in last 5 years with contact details (Name, Phone, email address) of at least 5 users. Additionally, the vendors should submit copies of suitable documents in support of their reputation, credentials and past performance.
- 3. The vendor must be the original equipment manufacturer (OEM)/authorized dealer/sole distributor of the item, the certificate to this effect should be attached.
- 4. An undertaking from the Original Equipment Manufacturer (OEM) is required stating that they would facilitate the vendor on a regular basis with technology/product updates and extend support for the warranty.
- 5. The original catalogue/brochure or official letter giving full technical details should be included with the technical bid to verify the specifications quoted in the tender.
- 6. The manufacturer of the item must be an ISO 9001 company certificates must be attached.
- 7. Non-compliance of tender terms, non-submission of required documents, lack of clarity of the specifications, contradiction between vendor specifications and supporting documents, furnishing of wrong/ambiguous information in the compliance statement etc. may lead to rejection of the bid and blacklisting of the vendor.

Other requirements:

- 1. Warranty:
 - a. The complete instrument and accessories excluding consumables should be under warranty for a period of three years from the date of installation.
 - b. In case of breakdown during the warranty period, service engineer of the vendor should make as many visits as are necessary to rectify the problem and replace the faulty parts. Vendor should provide all spares required for making the instrument operational.
- 2. Maintenance and Repair:
 - a. Vendor should be easily accessible and available on demand within 24 hours of any problem in the instrument.
 - b. One compulsory visit per year for maintenance must be included apart from the installation visit.
 - c. Annual Maintenance Contract (AMC): Financial involvement for two years on site AMC after the expiry of warranty period should be provided.
- 3. Installation and Training:
 - a. Vendor should provide training on operation and application for each of the equipment mentioned in the tender at IIT Goa after installation. The training event needs to be performed once a year for three years.
- 4. Spares: The vendor of the instrument must confirm in writing that the spares for the entire instrument will be available for a period of at least ten years after the installation of the instrument.
- 5. Manual: One set of operating manual and service manual (in English) should be provided with the instrument. The manual should be presented in both, hard and soft copy.

6. Company traceable Certificate (Vendor's working standard of company) must be provided.

control must be included. The ECU should provide following functions 1. Optimization of engine performance with various fuels and operations
conditions.
Engine control during idling operation.
3. Setting the start and end crank angle for pilot and main fuel injecto
well as angle for spark initiation.
4. Setting the injection time and injection pressure.
5. Setting the EGR flow.
Sensors 1. Non-contact RPM sensor
Crankshaft and Camshaft position sensor (Crank angle sensor/enco
should have a 1° resolution with TDC pulse).
Sensors for mass flow rate of air and fuel.
4. sensor and sensors for and pressure.
5. The injector pressure, inlet manifold, combustion, and exhaust pressure.
should be measured with piezo sensors having accuracy ±1% FS0
better.
6. Temperature sensors (thermocouples/ RTD) and appropriate sign
conditioner for measuring manifold temperature and exhaust
calorimeter temperatures.
7. Dynamometer load sensor (strain gauge and transmitter).
All sensors must be provided with a calibration certificate.
Other features 1. Multi-fuel operation should not need changing the engine head or
disassembly.
Panel/ console made of corrosion resistant materials.
3. Engine performance analysis software and combustion anal
software.

	4. DAQ Sampling at approximately 200 kHz, appropriately interfaced with
	the computer for live monitoring, storage, and processing of data.
Teaching tools	The setup should facilitate the following engine performance and combustion studies 1. Measurement of indicated power, break power and friction power
	Measurement of specific fuel consumption and break-specific fuel consumption
	3. Measurement of volumetric, mechanical, and thermal efficiency
	4. Plotting the PV and P-θ diagrams
Optical access	Transparent quartz window with at least 25 mm diameter and a mirror in the piston at 45° location illumination or viewing
