In case of repeated complaints of impurities found in the supplied water, a second warning letter shall be issued to the agency. The third warning letter will be final one and beyond this, the services of the agency will be terminated with a prior notice of one month. In addition to the termination, the performance guarantee of the agency will be forfeited and the agency will also be debarred from participating in any tenders of IIT Goa for a period of two years.
15. The agency must provide a hose pipe of requisite diameter of good quality and having good durability to prevent spillage and wastage of water while transferring the water from the tanker to the water storage tanks.
16. The bidder must ensure timely maintenance and cleanliness of the water containers. IIT Goa officials may inspect the water tanker containers as and when required and shall reserve the right to refuse the supply of dirty/muddy/unhygienic water.
17. The water tankers will be checked for quantity as well as the quality at the main gate of the hostel premises and at other locations wherever the water is supplied at IIT Goa premises.
18. The bidder must supply the water within a range of two (2) kilometers from the main Gate of GEC for various buildings of IIT Goa inside GEC campus, as per requirement of IIT Goa.
19. The bidder must submit water testing reports twice a year or whenever IIT Goa request the bidder to get the supplied water tested. The water shall be tested through NABL accredited laboratories / Government Registered Laboratories.
20. The agency must provide original slips to the security control/concerned personnel of IIT Goa during each and every trip of water tanker to IIT Goa Premises. The agency must also maintain a duplicate copy of the same slip with them. The agency is required to follow IIT Goa security procedures for the vehicles IN & OUT.
21. The details of the water tanker delivery schedule will be shared with L1 bidder later. On an average IIT Goa requires ten number of 10,000 litres water tankers in a day. The quantity is tentative and may vary as per consumption and availability of water to IIT Goa from any other source.
22. The agency must ensure that the drivers and the co-drivers are paid salaries in time and IIT Goa will not take any responsibility of the same.
23. Whenever there is a requirement to pump water to overhead water storage tanks, the vehicle driver or co-driver shall handle the pump or the hosepipe. The agency has to do this work on its own. IIT Goa will not render any manpower for this.

24. If the agency water tankers causes any damage to IIT Goa assets during its movement in the IIT Goa campus or otherwise, the damage should be repaired and made good by the agency from his/her own funds. If the agency fails to do so, then IIT Goa will repair the damage caused and recover the cost from the agency's bill.
25. If the agency fails to supply water as per the delivery schedule provided **(The delivery schedule may change as per the requirement of IIT Goa about which the agency shall be intimated during the course of work)** by IIT Goa, then the agency will be issued a warning letter at the first instance. After that a penal recovery of Rs. 500/- per trip may be deducted for every delayed trip from the bill of subsequent month. If the agency fails to supply the water as per the delivery schedule and if this continues for a period of more than 7 days, then IIT Goa may terminate the contract with a prior notice of one month. In addition to the termination, the performance guarantee of the agency will be forfeited and the agency will also be debarred from participating in any tenders of IIT Goa for a period of two years.
26. All clarifications about the tender shall be sought by the bidder on or before the pre-bid meeting. The bidders may make suggestions which shall be considered during the pre-bid meeting. No queries shall be entertained after notification of replies to noteworthy queries received till the date of pre-bid meeting.
27. The bidders having MSME registration and claiming exemption for submission of tender fees and Earnest Money Deposit should duly fill and submit the Bid Security Declaration Form stated in Form-B.
28. Completion certificate issued by Competent Authority will only be considered as credential. If the Completion certificate issued by Competent Authority does not reflect the type of work, then Final bill / Schedule of Quantity of the qualifying works also to be attached along with the Completion certificates. Certificate from private organizations for whom such works have been executed shall also be accepted along with a copy of TDS certificate for the bills paid for the supply executed.
29. **Rates quoted by the bidders shall be inclusive of labour charges, GST (Goods and Services Tax -Central, State and Interstate) and all applicable taxes, over heads and profits. Income Tax and all other statutory deductions like labour cess etc. will be deducted from the bill as per prevailing rules.**
30. Exemption to IIT Goa against any tax/ duty/ fee/ surcharge/ charge/ cost, if any, found applicable or sought later from IIT Goa after award shall be passed on to IIT Goa by the contractor without dispute.
31. IIT Goa reserves the right to reject any or all of the bids without assigning any reason.
32. Bid Validity: Bid shall remain valid for 120 days from the date of opening of price bid.
33. If any information furnished by the bidder is found to be false / fabricated, then his bid will be rejected and treated as cancelled. If such manipulation is detected at any stage after signing of the contract, it would lead to termination of the contract besides forfeiture of Performance Guarantee and liabilities towards prosecution. In such cases the bidder will be debarred from participation in future tendering process in IIT Goa for next two years.
