

OFFICE OF THE DoRD

No. IITGoa/DoRD/02/REC/2023

Date: 22.02.2023

RECRUITMENT FOR JUNIOR RESEARCH FELLOW

Applications are invited for the position of Junior Research Fellow to work under the project titled “Earth Abundant Metal Catalyzed Cross-Dehydrogenative coupling for Sustainability Access to Electron-Rich Heterobiaryl class of Compound” in the School of Chemical and Materials Sciences, IIT Goa. The project is sponsored by Science & Engineering Research Board (A statutory body of the Department of Science & Technology, Government of India).

| | |
|---------------------------------|--|
| Nature of work | The selected candidate will be required to plan and perform experiments related to the sponsored project and other similar projects ongoing in the lab. The candidate will collect all the relevant spectroscopic and characterization data for the synthesized compounds. He/She may be required to write the manuscript whenever possible. |
| No. of Position | One (1) |
| Duration of Appointment | For a period of 1 year. It may be further extended based on the performance and the availability of funding. |
| Eligibility | Essential qualification: -Master degree in Chemistry. -Must have a valid GATE, NET-LS/JRF etc. Desirable: - At least 6 months of research experience in a research lab (Academic/ Industry) |
| Salary | 31,000/- Per Month. |
| DA | Not to be entitled to DA. |
| HRA | As per funding agency norms. |
| Medical Benefits | As per the Institute norms. |
| Leave entitlements | As per the Institute norms |
| How to apply | Interested candidates can fill the below form https://docs.google.com/forms/d/1yU8KrnhtPhP30tr-du4ROamImomfMkHrJNKjh8n6Ark/edit |
| Last Date of application | 09 March, 2023, 05:00 PM For any update regarding the last date of submission of application candidates must visit: https://iitgoa.ac.in/project-position/ |

General Instructions:

1. If the number of applications received in response to advertisement is large, the constituted selection committee may restrict the number of candidates to be called for interview to a reasonable limit of desirable qualification and /or on the record of academic performance and/or any other benchmark decided by a committee constituted to screen the applications. No communication will be entertained with candidates who are not called for Interview.
2. If the applicants have any questions, they can write to res-staff-rect@iitgoa.ac.in and in the subject they have to mention the Institute project number “2022/EMR/RN/047”.

3. Informal inquiries via email may be made with PI: Dr. Rishikesh Narayan, Assistant Professor, School of Chemical and Materials Sciences: rishikesh.narayan@iitgoa.ac.in
4. The appointment is purely temporary and will terminate automatically without any notice or on termination of the research project.
5. The appointed person shall have no claim of appointment / absorption in funding agency or in IIT Goa.
6. The qualification prescribed should have been obtained from recognized Universities / Institutions.
7. No TA/DA will be admissible for appearing for the interview.
8. Selected candidates will have to join in a reasonable time upon receipt of the offer.
